Adam Weber From Death

1. Have you ever felt like you are barely surviving? Like you are anxious about everything and the weight of the world is on your shoulders? Have you ever felt like you are spiritually dead inside?
2. The result of living for ourselves and doing whatever feels good eventually turns into discontentment and we struggle with losing our temper, jealousy and conflicts arise that create even more discontentment. How can staying centered on God keep you grounded in your faith? -Galatians 5:19-20
3. Paul is talking about the difference in living for ourselves and living for God. How do you handle times when you realize you aren't living for God? What can you do differently to be more like Jesus? -Romans 8:5-8
4. Those who live a life based on the Spirit are focused and consumed with God and everything related to Him. What does this way of life lead to? Who benefits from a life lived pursuing the Spirit? -1 Kings 3:10-13
5. Control, worry, busyness, lack of focus, pride and greed can all make us stumble. What is holding you back from pursuing God with everything? -Matthew 6:25-27
6. Adam shared about a crazy busy week and talking with a young boy on an airplane. He was completely heartbroken for this boy after hearing his story and spent much of the plane ride praying for him. In what areas of your life do you need to slow down and place your attention on what God has for you?
