Adam Weber From Death

1. Adam told us when he was a kid, he imagined the Easter bunny was 6' tall. Take a moment and share your favorite Easter memory with your group. What made this memory so special to you?
2. As human beings, our natural default is to focus on ourselves. We live our lives solely on what we believe is best for us. How can we correct this way of thinking and focus on Jesus and the way He lived His life as a living sacrifice? -Romans 12:1-2
3. When we decide to live a life based on the Holy Spirit, we think about God, not about ourselves, but we are focused on Him and everything connected to Him. How does living this way impact your daily life? -Romans 8:5
4. When it comes to living a life focused on God, we put God in the center. How does this impact the people around you? Family? Friends? Co-Workers? -John 8:12
5. "We were just never meant to live a life based and focused on ourselves." Talk about the weight we place on ourselves just by making everything about us. -Romans 8:8
6. When you accept Christ as your savior, the same God who rose Jesus from the dead, He lives inside of you. Is there an area of your life you need to change? How can you rely on God to help get you through it? How is keeping yourself centered on God crucial to this change? -Romans 8:11
7. How can you choose life over death and live completely surrendered to God and His plan for your life? -Romans 8:6-7
