## TIME WITH OTHERS

Want to take the message a little further? Get together with a group of friends, co-workers or family and talk about the message! These questions will help you dive into the word as you grow in community with others.

Simply watch the message, get together with a group of people, and read the questions. If you're feeling really crazy, try praying before and after you meet. God will be there with you!

- 1 Have you ever had a bad influence in your life? Someone who always seemed to help you find trouble? Talk about a time you got into trouble with that person.
- 2 Everyone has influence, but not everyone has a plan for how to influence others. Why do you think it would be important to have a plan? Why not?
- 3 Read Exodus 18:1-27. What parts of this passage stand out to you? What verses do you have questions about?
- 4 Teaching can seem overwhelming, but we've all learned something that can benefit others. What is one life experience or piece of knowledge that might be useful to someone?  
Showing others how to live doesn't have to be complicated, it simply means letting
- 5 someone into your daily life. What are some areas of your life you could naturally invite others into and share with them?  
How does it make you feel when you think about choosing only a few people to pour
- 6 your life into? Why do you think it's important to limit the amount of people you let into your life?
- 7 Jethro told Moses if he pours his life into others, "the people will go home satisfied." How do you think pouring into others can change the world?
- 8 Who are 2 or 3 people in your life right now that you could choose to pour into? What is a first step you could take to reach out to them?
