TIME WITH OTHERS

Want to take the message a little further? Get together with a group of friends, co-workers or family and talk about the message! These questions will help you dive into the Word as you grow in community with others.

Simply watch the message, get together with a group of people, and read the questions. If you're feeling really crazy, try praying before and after you meet. God will be there with you!

- 1 Humans were made to yell. When we shout, our brains turn down our hearing so that we don't deafen ourselves. If you had to sing one song at the top of your lungs, what would it be?
- 2 Read Romans 12:6-9 together. Of the different gifts listed, which gift do you feel like God has uniquely given you?
- 3 Living a life of generosity takes willingness and intentionality. Is there a time that someone went out of their way to be generous toward you?
- 4 In the story of the farmer, the man said that if he wants to grow good corn, he must help his neighbors grow good corn. What would it look like for you to apply this view to relationships with your coworkers or family and friends?
- 5 It says in Proverbs 11:24, "One gives freely, yet grows all the richer; another withholds what he should give, and only suffers want." Based on your personal experience, do you believe this proverb is true for your life?
- 6 Being generous simply means taking the gifts, resources, trials and experiences that we have been given and sharing them with others. What is one area of your life that you would like to be more generous?
